Width < 48"	Max 1/4"
Width ≥ 48"	Max 3/8"
Length ≥ 60"	
Width < 48"	Max 3/8"
Width ≥ 48"	Max 1/2"
Straightness	
<97"	Max 1/8"
≥ 97"	Max 3/16"

PRODUCT DESCRIPTION

Corrugated Plastic - Coroplast® is a lightweight, durable sheet consisting of three parts. The outside facings are manufactured to provide a highly printable graphic surface, while the inside core is produced with specifically arranged flutes to provide maximum strength with minimum weight. This provides a cost efficient high quality board for your graphic needs.

What is Square Cut?

Coroplast® offers a secondary process where the sheets are trimmed to a tighter tolerance - this is commonly referred to as Square Cut in the market.
